VOID

Is the Kentucky Workmen's Compensation Law, Says Court of Appeals.

Frankfort, Ky., December 11.—The Court of Appeals this morning, in an opinion by Special Judge J. L. Dorsey, held the workmen's compensation act unconstitutional, Judge Miller writing a dissenting opinion, in which Chief Justice Hobson and Special Judge Lassing concurred.

Judge Miller said in dissenting the opinion of the majority makes it impossible for the Legislature to pass any effective workmen's compensation act under our present constitution. "It is urged the act is compulsory in that it in effect it compels an employer and employee to accept its provisions under penalty of losing their rights under Section 54 of the constitution."

"THE PRICE IS TERRIBLE," SAYS FARMER—"IT'S HELL," SAYS ANOTHER.

(Carlisle Advocate.)

"The Carlisle tobacco market opened for the season this (Tuesday morning), and while the tobacco men stated that prices here were as good, or a little better than they had noted on other markets, yet the farmer can see the handwriting on the wall," and will have to make up his mind that tobacco will sell at least \$3 a hundred lower, unless the Big Four settle it among themselves to "give" a little more. "The price is terrible," says one farmer, and another says, "It's hell." The opening prices on all the markets have turned the hair on the farmer and there is no wonder that there is a strong talk of a cut-out next year.

HOW MANY IS A BILLION?

(Kansas City Star.)

I wonder if we realize when we talk of a billion dollars what an enormous amount of money it is and how long it would take an expert counter of coins to manipulate them. You can scarcely follow the motions of his fingers as he shifts the coins from one pile to another and counts them. The treasury experts will count 4,000 silver dollars an hour and keep it up all day long, but that is their limit. Working eight hours a day, then an expert counter of coins will count 32,000 silver dollars in a day, but how long will it take him at that rate to count a million dollars? Thirty-one days. But that is only the beginning of the measurements of great figures, for if this same man were to go on counting silver dollars at the same rate of speed for 10 years he would find that he had counted only 100,000,000 of them, and that to count a billion of them would require 102 years of steady work at the rate of eight hours a day during every working day of every one of the 102 years.

"ON TO PANAMA."

(Lexington Leader.)

Yesterday morning, Marse Henry Watterson, in one of those wonderfully brilliant editorials which have made the Courier-Journal famous the world over, gave us an extremely interesting three-column discussion of the subject on national defenses.

In this editorial Marse Henry, whether he intends it or not, appears to defend what some able critics regard as our plainly inadequate army and navy, and in the same breath condemns the Republicans for having assisted in preserving the status.

Every one will at once agree with the distinguished editor that, "all things apart, to what end if not to the substantiation of the truth that war is not a remedy for any earthly evil or wrong; that it is organized and legalized murder; and that, while destroying its victims, it leaves its victors worse off than they were before."

Continuing, Mr. Watterson says: "This brings us face to face with what we have called our civilization, and that again brings us face to face with what we have called our religion."

"Is Christendom a Christian? Are we, the American people, a Christian people? If in the green leaf we are thus to rush to our guns with Senator Lodge and Representative Gardner, what may we not have to do in the brown? Is the Republican party to repeat in the United States under the guise of patriotism and the national defense the self-same error which lured Germany and the unknown, unskilled, unconsenting German people into their present awful plight?"

"Is the Republican party, beaten on the old issues, to reconstruct and revitalize itself by a popular appeal having the alleged glory and prowess of the nation for its text—war as its ultimatum—making a combine between the sabre-rattlers, the plate-armor-makers and the voters as the German Militarist representing a feudal caste, the Kaiser at its head, made alliance with the German middle classes embracing the money kings of Berlin and Hamburg and the infidel doctrinaires of Bonn and Heidelberg? In short, are we, the American people, to be led unconsciously into adopting the gospel of war and the setting up of an all-powerful military aristocracy, as the unhappy, unfortunate Germans were?"

Have we a Treitschke among us? Is his pseudonym Henry Cabot Lodge? Have we a Bernhardi? Is his nickname Augustus Peabody Gardner? Nietzsche is dead. But his spirit liveth and roameth abroad, at the moment taking a look-in upon Congress."

Some weeks ago Mr. Watterson, in a series of forceful and instructive editorials, preached the doctrine of "On to Panama."

His theory then set forth was that the manifest destiny of the United States was the control of all that territory situated between the Texas-Mexican border and the Panama canal.

It ill-becomes youngsters and amateurs to cross swords with such a veteran knight as Marse Henry, and yet one naturally wonders how he proposes to subdue the Mexicans and police the conquered territory as he proceeds on his march toward Panama unless he be supported by an army and a navy commensurate with the task.

The Republican party has neither desire nor purpose to introduce the Prussian system of militarism in the United States, but the statesmen of that party believe that either the Monroe Doctrine must be abandoned and this continent turned over to the vultures of the east and to the west, or the United States must have trained men and means of defending that time-honored doctrine to the last.

CORA WILSON STEWART KENTUCKY'S GREATEST PRODUCT.

(Owensboro Messenger.)

Mrs. Cora Wilson Stewart should have been heard Tuesday evening by not less than 1,500 Owensboro citizens. Her address merited the consideration of every thinking person that could possibly get within hearing. There has never been a more eloquent appeal voiced in Owensboro for the help of one's fellowman in his most dire distress than was given by this brilliant woman. It is small wonder that with a woman of as high practical ideals as Mrs. Stewart there has been given an impetus to a movement that has already attained nationwide scope. Kentucky is indeed fortunate in having produced a Cora Wilson Stewart. Rowan county will go down in history as having been the birthplace of "moonlight schools."

STOMACH TROUBLES

Mr. Ragland Writes Interesting Letter on This Subject.

Madison Heights, Va.—Mr. Chas. A. Ragland, of this place, writes: "I have been taking Thedford's Black-Draught for indigestion, and other stomach troubles, also colds, and find it to be the very best medicine I have ever used."

After taking Black-Draught for a few days, I always feel like a new man. Nervousness, nausea, heartburn, pain in pit of stomach, and a feeling of fullness after eating, are sure symptoms of stomach trouble, and should be given the proper treatment, as your strength and health depend very largely upon your food and its digestion.

WOMAN PASSED A NUMBER OF "COLD CHECKS."

(Ashland Independent.)

A woman who is described as being between 30 and 35 years of age, about 5 feet 6 inches in height, with black hair and black eyes, neatly dressed, has been having a successful time within the past few days, passing "cold checks" on merchants in Ashland and suburbs. Just how successful the woman has been is not known, but three merchants have reported to the authorities that they are victims of the woman.

A. J. Brown of Thirteenth street, cashed a check for "Mrs. Mae Taylor," as she called herself, for \$27, giving her a raincoat and other wearing apparel valued at \$14.50, and \$12.50 in cash. The check she gave him was made payable to "Martin Jones," and signed by "John Black."

Lee Morrison of Oakview gave "Mrs. Charles Roberts" \$20.40 in cash and \$3.60 in merchandise.

Charles Abaid of Twenty-ninth and Carter streets, cashed a check for \$27 for "May Anderson."

Mr. Brown appeared before Judge Kennedy this morning and swore out a warrant for the woman's arrest and stated that he and Mr. Morrison would pay \$25 reward for the arrest.

EX-LIEUTENANT GOVERNOR ALFORD DEAD.

Lexington, Ky., December 10.—Mitchell Cary Alford, lawyer and capitalist, and lieutenant governor with Governor John Mason Brown from 1891 to 1895, and defeated for the Democratic nomination for governor in 1895, at a convention which chose P. Watt Hardin, died in a hospital here last night from pneumonia. Alford was born in Fayette county, near Lexington, July 10, 1855.

"Don't you think women are naturally more courageous than men?" challenged the champion of her sex. "Of course," said the horrid cynic. "No man would ever dare to get off a car the way the average woman does."

TOBACCO

on our opening sale did not sell up to the expectation of a number of sellers, due in a measure to the extremely soft condition of a large percentage of the Tobacco on sale.

We anticipate a free movement of Tobacco before the holidays and we want your business. We are ready to serve you at all times to the limit of our ability.

If you, my sister, are unhappy because of ill-health, if you feel unfit for household duties, social pleasures, or daily employment, write and tell me just how you suffer, and ask for my free ten days' trial of a home treatment suited to your needs. Men cannot understand women's sufferings. What we women know from experience, we know better than any man. I want to tell you how to cure yourself at home at a cost of about 12 cents a week.

If you suffer from women's peculiar ailments causing pain in the head, back, or bowels, feeling of weight and dragging-down sensation, falling or displacement of pelvic organs, causing kidney and bladder weakness or constipation and piles, painful or irregular periods, catarrhal conditions and discharges, extreme nervousness, depressed spirits, melancholy, desire to cry, nervous, creeping feeling along the spine, palpitation, fear of something evil about to happen, hot flashes, weariness, sallow complexion with dark circles under the eyes, pain in the left breast, or a general feeling that life is not worth living.

I INVITE YOU TO SEND TODAY FOR MY FREE TEN DAYS' TREATMENT

and learn how these ailments can be easily and surely conquered at home without the dangers and expense of an operation. When you are cured, and able to enjoy life again, you can pass the good word along to some other sufferer. My home treatment is for young or old. To Mothers of Daughters, I will explain how to overcome green sickness (chlorosis), irregularities, headaches, and lassitude in young women and restore them to plumpness and health. Tell me if you are worried about your daughter. Remember, it costs you nothing to give my home treatment a ten days' trial, and does not interfere with daily work. If health is worth asking for, then accept my generous offer and write for the free treatment, including my illustrated booklet, "Woman's Own Medical Adviser." I will send all in plain wrappers post-paid. To save time, you can cut out this offer, mark your feelings, and return to me. Send today, as you may not see this offer again. Address,

UNION TRUST & SAVINGS CO.

Prepares To Distribute Christmas Checks

Maysville People By Hundreds To Receive Checks—\$30,000 To Be Distributed Tuesday, December 15th

From the stacks upon stacks of checks—checks by the hundreds—which the Union Trust & Savings Company is now writing—all "Christmas checks"—it would seem that bank will be the greatest Santa Claus in Maysville this year.

This is the second year that this bank has operated a "Christmas Club," and it success has been phenomenal. The membership has trebled since last year and the total amount to be paid out this Christmas amounts to the nice sum of Thirty Thousand Dollars. The members of the Club may get their checks by calling at the bank on or after Tuesday, December 15.

If the old maxim, that "the proof of the pudding is in the eating," has ever been demonstrated to the satisfaction of all concerned, it has been during the last two years that the Union Trust & Savings Company has operated this Club in Maysville.

The hundreds who joined the Club last year and are now to receive substantial Christmas checks, found the Club more than proved its value. As a convenient, sure means of getting Christmas money without taking a lump sum out of the purse, it has no equal.

GOOD THING FOR MAYSVILLE.

The Club is a good thing for Maysville, too. Many people joined the Club so that they would be sure to have Christmas spending money—and they'll buy Christmas presents at Maysville stores.

Besides this, the Christmas Money Club will start many young men and women in the saving habit. Frugality always is beneficial to the community in a broad way.

This bank will have another Club for 1915, which will be open for members on December 21. If you were a member in 1914 you know the pleasure and value of the Club. Invite others in your home or among your acquaintance to join the 1915 Club with you.

ATTENTION, FARMERS!

WE ARE NOW READY FOR XMAS TURKEYS AND WILL PAY 14 CENTS PER POUND ON FOOT FOR NICE, FAT TURKEYS DELIVERED AT OUR HOUSE UNTIL FURTHER NOTICE. DO NOT FORGET TO PUT PLENTY OF STRAW IN YOUR WAGON AND BRING DIRECT TO US, AS WE ARE THE PEOPLE WHO STAY WITH YOU ALL OF THE YEAR 'ROUND.

REPORT OF CITY MISSION.

Benjamin Franklin said, "I think the best way of doing good to the poor is not by making them easy in poverty, but by leading or driving them out of it."

This is the hope of the City Mission—to lead the less fortunate of our little city to higher ideals of living.

Mrs. Brock and Miss Maxon read most interesting reports, for the month of November, submitting these reports to the Board of City Missions on Wednesday afternoon.

Mrs. Brock reported 98 calls made; all religious services unusually well attended; 17 baskets given out Thanksgiving; 10 baskets given out at other times; 286 garments distributed; \$7.85 cleared from those sold; \$14.75 expended in responding to the many calls for assistance.

Miss Maxon's report was good, she feeling much encouraged over several phases of her part of the work. The attendance at the night school much better and the older illiterates were becoming interested. The average attendance of the industrial schools, 41 also. The social club of older boys and girls showed an increase in attendance.

Miss Maxon interviewed Mr. White of the Union Bethel of Cincinnati, as to ways and means of getting at the young people. A vote of thanks was tendered Mrs. J. M. Young for assistance rendered during the absence of Mrs. Brock.

A contribution of \$5 was made to the municipal tree, so generously planned for by the Woman's Club.

Among the contributions received during the month were most generous quantities of bread, sent by the Mission's friend, Mr. Traxel. One friend of the children of poverty gave one of our merchants an order for twelve pairs of good shoes for school children when they were needed. Eight pairs of trousers, six coats and vests were sent down to the Mission by another one of our merchants who never wears in well doing. A basket of fresh country provisions was also much appreciated. Plans for the Christmas work were discussed. Never before in the history of this work in Maysville has the need of the people been greater.

The city, always generous when possible, has cut down its pension list very considerable. These people have to be helped by some one.

To write a true report of the work of the City Mission for a month is not possible.

Every day is full of ministrations to body and soul of the many shipwrecked lives that seek a haven of rest at the sign of the "Mission Home" from problems too great for them to bear alone.

THE RIVER

The raise in the Ohio river has stopped work on the government dam just below New Richmond.

The excursion steamer Homer Smith, which was built at Jeffersonville, Ind., is now at Point Pleasant, where the owner resides. The boat is about the size of the Queen City, cost \$80,000 and will ply the upper Ohio.

Mrs. J. W. Crumbaugh, wife of J. W. Crumbaugh, purser of the steamer Courier is very ill at her home in Augusta.
